**Minnesota Transfer Curriculum (MNTC) & Associate in Arts (AA) Degree Worksheet
Normandale Community College**

MN Transfer Curriculum (MNTC)

The MNTC is designed to meet the general education requirements for graduation from any public university or college in Minnesota. To complete the MNTC, students must satisfy the course requirements for each of the 10 goal areas. A minimum of 40 credits is required. Courses designated with a superscript (i.e. BIOL 1110¹⁰) satisfy more than one goal area. **NOTE: credits are counted only once toward the 40 credit MNTC minimum.** A minimum of 2.0 cumulative GPA is required. **Apply for your MNTC certification during your final semester.**

Associate of Arts (AA) Degree

The AA degree, which includes the MNTC, meets the general education requirements for graduation from MN State Universities, and the University of Minnesota. The following schools also accept the AA degree as satisfying their general education requirements.

MN Schools: Argosy University, Augsburg College, Bethany Lutheran College, Capella University, College of St Scholastica, Concordia University in St Paul, and St Mary's University. **WI Schools:** Northland College, UW River Falls, UW Stout, and UW Superior. **ND Schools:** Mayville State University, North Dakota State University and University of North Dakota.

Students seeking an AA degree must complete the MNTC requirements and additional elective coursework (including Health and Exercise Science) for a total of 60 college-level semester credits. **Apply for graduation early in your final semester.**

Note: If you are considering transfer to a college not mentioned above, consult with a faculty counselor **early on** in your educational planning. Transfer guides and other transfer information can also be picked up in the Career and Academic Planning Center.

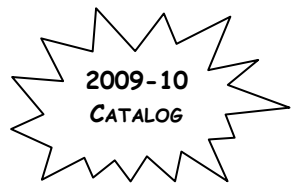

Goals	Courses	Semester Credits	Grade
<input type="checkbox"/> GOAL 1: COMMUNICATION - 2 courses Take ENGC 1101 Select one from: COMM 1100, 1101, 1111, 1121
