

Experience Scotland

Learn more ↗

There is much to learn in Scotland and, as such, our expectations of you will be high, completing 15 credits in the semester, choosing one course in each module. You will be using the local Scottish environment as a laboratory and incorporating this learning into your classroom experience. Start your application now!

Course Selection

Meet with your academic advisor once you've been accepted into the Experience Scotland program to discuss which courses will work best in your degree plan. It is a good idea to also register for courses at Normandale as a back-up plan. You can withdraw from these classes as you get close to your start date.

Financial Aid

Make an appointment with the Financial Aid Office at least four months before your intended start date. Bring this sheet to complete required forms and increase your academic expenses budget for the semester abroad. Scan the QR code for program cost estimates. Appointments at: finaid@normandale.edu

Scholarships

Several opportunities for additional funding can be applied for throughout the year. Normandale's Academic Travel Scholarship Applications are accepted in Fall and Spring for any future study abroad program. Other scholarships are available from outside organizations. Information at www.normandale.edu/travel
