Empower your educational path

Mission:

Our mission is to empower developmental education students with the foundational skills and confidence they need to achieve their academic and personal goals. Empowering Equitable Academic Growth and Success for Developmental Education students.

Vision:

The NPowered program at Normandale Community College is a comprehensive support program designed to empower students enrolled in developmental education courses. Our mission is to provide students with the academic foundation and resources to succeed and progress toward their academic goals.

We provide:

Free and early access to a laptop (must qualify)

- One week before the start of the Semester

One-on-One Guidance: Academic & Personal Support Sessions with Program Coordinator.

College Success Workshops: Skills & Resources for Students (must attend 10 either virtual or in person. Student has the option of attending any workshop offered by the college)

Two celebrations:

- Orientation (August 20th)
- End of program celebration with gift incentives (December)

Tuition or Campus store voucher for \$200.00 upon successfully completing the program.

We are looking for:

All students are welcome to apply and students of color are highly encouraged to apply for the Fall 2024 cohort. Students must be currently enrolled in Developmental Education or English for Academic Purposes classes.
